Vehicle mishap injures family

By Jim Todd

Six members of a Cardston family were taken to Cardston Municipal Hospital on Sunday, following a single-vehicle accident on Highway five near the Woolford turnoff.

Cardston RCMP said Maureen Hall was travelling east on the highway at approximately 1 p.m. when she lost control of her 1984 GMC half-ton. The truck entered the north ditch and rolled. Five of Hall’s children, ages two to 11 were in the vehicle. Three of the children were thrown from the truck. All occupants were taken to Cardston Municipal Hospital. There were no fatalities. Further information on the extent of injuries was not available at press time.
